KINNESTON OWNER'S DAY 2018 – WELCOME

Welcome to Kinneston and thank you for taking the time to look at this booklet about the team we have here for the 2018/19 National Hunt Season.

Last season was tricky; weather, weather and more weather! Apart from facing serious challenges in training the horses we also lost a significant proportion of our core fixture list. This resulted in a reduced number of winners; however, having set success further South as our key goal it was extremely rewarding to have winners at Haydock, Aintree and Wetherby together with many horses running well in defeat at these tracks where North meets South. "Saturday" winners at the big tracks isn't everything but importantly it proves we can compete successfully at a National level.

To do that we need a great team; a team of Owners, a team of Horses and a team of Staff all working with the goal of winning. We are blessed on all fronts and it was a tremendous accolade for us all that together we won the inaugural **Lycetts Team Champion Award** - more of that later in this book but we go forward stronger than ever in all regards.

That team needs facilities and we have continued this summer to develop our gallops, finessing the major investment of 2017 to produce what I have no doubt is one of the finest private training facilities in the UK. It will always be a work in progress as will adapting our training methods to those facilities but with luck, and with having them at our disposal for a full season, they should make an impact on the performance and durability of our horses.

That should produce more winners and better winners and, whilst the industry faces challenges, the rewards to those winners have rightly improved and will continue to do so; the racecourse sector itself is very strong in Scotland and more than ever Owners and Trainers are needed to race their horses – demand is strong and the price should continue to rise.

One area of our business concerns me; our lack of horses suitable to run at our two local tracks – Perth & Musselburgh – both of whom offer excellent prize money. I am proactively addressing that in the form of acquiring horses with that specific remit (some of which are for sale) and I would like to offer a further incentive in the form of no transport charges for any runners at Perth in June/July/August next summer.

They mustn't replace the winter horses though! They will always be our core and to compete we must invest, it's fiercely competitive but we buy well, knowing how to create the opportunity to compete at a good level without spending a fortune. I thank you all for your investment and loyal support, everything we do is built on that – without you we have nothing and there is a great team of people here who fully appreciate that support.

HANDICAP CHASERS

BERTALUS (IRE)

2009 Bay Gelding by City Honours ex Deep Dalus (IRE) (Mandalus) – Rating 99c 85h

Owner: Quandt & Cochrane

After winning a handicap hurdle at Ayr 18 months ago Bertalus became quite disappointing, seeming to fall out of love with racing, but thankfully started to get it back together this spring finishing by winning over fences at Newcastle. Hopefully his confidence will continue to grow and he will prove to be well handicapped.

CLAN LEGEND

2010 Chesnut Gelding by Midnight Legend ex Harrietfield (Nicholas Bill) - Rating 132c 127h

Owner: Clan Gathering

The ninth and final foal of the yard matriarch Harrietfield, Clan Legend has now won eight races for us including a decent Saturday handicap chase at Haydock last season. He has turned into a smart chaser over 2m – 2m4f and is very effective on heavy ground. He is a tough, genuine horse and hopefully can progress further this year when the mud is flying.

CRAIGANBOY (IRE)

2009 Bay Gelding by Zagreb (USA) ex Barnish River (IRE) (Riverhead (USA) – Rating 104c 106h

Owner: Quandt, Cochrane, Lysaght

He had an interrupted campaign last season after suffering a nasty hoof injury in December which kept him off the track for over 3 months. On his return he looked a bit rusty but finished the season well with a good second over hurdles at Perth. A winner over fences but still a novice over hurdles, this quirky horse should be competitive in both spheres and may improve stepped up in trip now he has become more settled.

JET MASTER (IRE)

2006 Bay Gelding by Brian Boru ex Whats the Reason (Strong Gale) Rating - 123c 115h

Owner: H W Turcan & Sir Simon Dunning

A wonderful versatile veteran who consistently runs a good race over hurdles or fences, from 2m to 3m, and on most ground. He is very genuine and resilient, and while these days he is probably seen at his best over further, the plan is for him to start back in the 2m hurdle at Perth that has been named in his honour(!) after winning for the third consecutive year last season.

KILLER CROW (IRE)

2009 Chesnut Gelding by Presenting ex Rivervail (IRE) (River Falls) - Rating 112c

Owner: Alexander Family

Ran in a few point to points and hunter chases last year before suffering a minor injury that curtailed his season. Fully back in work now this smart ex-Gigginstown horse could be well treated returning to handicaps this autumn.

JOLIE CRICKETTE (FR)

2012 Bay Mare by Laverock ex Crickette River (Cricket Ball) Rating - 89h

Owner: Mrs Jacqueline Morris

A multiple chase winner in France and over hurdles in the UK, she returned this spring after some time off but wasn't seen at her best. She has yet to run over fences in this country and we are very hopeful they will bring a big improvement as she was a much better chaser than hurdler in France. She doesn't want the ground too soft so the plan is to get her out soon in a chase over 2 miles.

LAKE VIEW LAD (IRE)

2010 Bay Gelding by Oscar ex Missy O'Brien (Supreme Leader) – Rating 139c

Owner: Trevor Hemmings

Classy and consistent, he finished in the first three on every run last season including winning two valuable Saturday novice handicap chases handling heavy ground very well and improving all the time. With his fast, accurate jumping and great attitude, he should be able to keep progressing this winter and is a really exciting horse to have in the yard.

MARLEE MASSIE (IRE)

2009 Bay Gelding by Dr Massini ex Meadstown Miss (Flemensfirth) - Rating 114c

Owner: Ken McGarrity

He returns this season after a year on the sidelines and hopefully can pick up where he left off! Versatile ground-wise, over 2m4f – 3m, he took a while to mature and get the hang of racing, but all being well there should still be more to come and he can add to his six previous wins over hurdles and fences.

HANDICAP CHASERS / NOVICE CHASERS

HANDICAP CHASER

THE ORANGE ROGUE

2007 Brown Gelding by Alderbrook ex Classic Enough (Classic Cliche) - Rating 103c 109h

Owner: Mrs S Irwin

Started last season on a career high handicap rating and struggled as a result although was running a very good race at Ayr in March when taking an unlucky fall 3 out. A big strong horse, he won't be out until the ground is properly soft, and now coming back on a much better mark we hope he will return to being competitive.

HANDICAP CHASER

TITIAN BOY

2009 Chesnut Gelding by Spadoun ex Leodotcom (Safety Catch) – Rating 91c

Owner: Tim Hardie & Louise Robb

Another one who seemed to be in the grip of the handicapper last season after going up 22 pounds the year before, although he still made the frame on most of his runs. This giant of a horse is not the easiest to train and hard to keep weight on, but if we can get him in good form and conditions are in his favour he should be able to get his head back in front.

NOVICE CHASER

BENNY'S SECRET (IRE)

2010 Bay Gelding by Beneficial (IRE) ex Greenhall Rambler(Anshan) – Rating 104h

Owner: Brian Castle

A classy looking horse, he won his first two starts last autumn around Kelso in fine style, but struggled to find the same sort of form later in the season. He is very hard to catch right and can be difficult to settle so needs a race run to suit, but we strongly believe when in good order, on decent ground, we have a well handicapped horse to go chasing with and there could be plenty of potential improvement.

BUFFALO BALLET

2006 Bay Gelding by Kayf Tara ex Minora (Cataldi) - Rating 106c

Owner: H W Turcan & Sir Simon Dunning

"No spring chicken" as the Racing Post spotlight often describes him, but still full of character and plenty of zest, he has been unlucky not to win over fences by now having finished 2nd several times. Running over 2m4f to 3m+ he was very consistent, only once last season not making the frame and never being beaten far. Still lightly raced for his age, he will only run where there is ease in the ground, and hopefully will gain some deserved success over fences this winter.

CALIVIGNY (IRE)

2009 Bay Gelding by Gold Well ex Summer Holiday (IRE) (Kambalda) - Rated 104c 122h

Owner: Hugh Hodge Ltd & Alexander Family

Another who is unlucky to still be a novice over fences having looked like the winner at 2 out several times last season before not quite seeing the race out on very heavy ground, which we will try to avoid this year. Now attractively handicapped and with the experience he has from two seasons chasing already, he should have a big advantage in novice company and be able to add some chases to his wins over hurdles.

EAGLE RIDGE (IRE)

2011 Bay Gelding by Oscar ex Azaban (IRE) (Be My Native (USA)) - Rated 107h

Owner: Ken McGarrity & Partner

This well bred son of Oscar came over from Ireland last winter after being beaten a neck in a point to point and having shown promise in bumpers. He arrived looking quite poor and just ran in a few novice hurdles before suffering a setback in the spring. Now in great condition, fully recovered and back in work we are looking forward to seeing what he can do this winter.

FLY RORY FLY (IRE)

2012 Bay Gelding by Milan ex Thousand Wings (Winged Love) – Rating 112c

Owner: Turcan, Douglas-Miller, Stewart, Burnham, Dunning

We gave this good looking horse a proper break after getting him from the sales last May having had a busy time with previous connections. Following this he had a few runs in the spring where learnt a bit about him, before a spell at grass. We hope now he is fully refreshed and could prove well handicapped on decent ground this Autumn.

LEFT BACK

2012 Bay Gelding by Oscar (IRE) ex Baldrice (FR) (Lost World (IRE))

Owner: Clan Gathering

This big backward horse was very weak when running in some novice hurdles two seasons ago so we thought a season point to pointing would be beneficial. After running a bit free in his early starts, he began to settle down and won his maiden before placing in two restricted races. Now heading back under rules he should be open to improvement as he matures both mentally and physically.

NOVICE CHASERS

McGINTY'S DREAM (IRE)

2011 Bay Gelding by Flemensfirth ex Laboc (Rymer) – Rating 75c, 78h

Owner: Kinneston Racing

A strange unique sort of horse who has been frustrating and taken some time, but finally the penny seems to be dropping. Very headstrong in his youth and still a handful at times, blinkers and fences have helped him settle. Placed several times last season on ground from good through to heavy, he should be competitive in similar races and has the potential to improve if he continues to relax.

ROAD TO GOLD (IRE)

2009 Bay Gelding by Gold Well ex Haute De Gamme (IRE) (Carmelite House) – Rating 104c 117h

Owner: Mrs J Douglas Miller

A dual novice hurdle winner a few seasons ago with some smart form, this son of Gold Well returned to the track in January after some time off with injury. He failed to sparkle in a couple of chases when probably not quite sharp enough, he then ran well when just beaten in two hurdles at Kelso in April. He will get another chance to see if he will take to fences where he looks very well handicapped, and with few miles on the clock will hopefully have a good season.

UP HELLY Aa KING

2011 Chesnut Gelding by And Beyond ex Gretton (Terimon) – Rating 100h

Owner: FOR SALE

He made his debut over hurdles last season and was quite green to begin with but improved with every start. He ran very well for a long way in a competitive handicap at Haydock when stepped up in trip to 2m7f, and although he wasn't yet strong enough to get home that day we see him as a stayer in the long run. With the benefit of another summer at grass, maturing all the time, and with the stamp of a chaser, there should be plenty of improvement to come.

HANDICAP HURDLERS

ANDHAAR

2006 Bay Gelding by Bahri (USA) ex Deraasaat (Nashwan) - Rating 81h

Owner: Bissett Racing

An enigmatic veteran hurdler who fully justified the Bissetts' perseverance when winning by 8 lengths at Hexham in May. This may be his last spell in training but he still retains plenty of ability and if things go right for him he could easily be back in the winners enclosure.

ANOTHER MATTIE (IRE)

2007 Bay Gelding by Zagreb ex Silver Tassie (Kaldounevees) - Rating 108h

Owner: Quandt & Cochrane

This attractive horse is now at the veteran stage and found himself a bit too high in the handicap at the start of last season, but finished off well with two good 3rds when not beaten far. Likes soft ground and a flat galloping track, he is on a fine mark now to be competitive again this winter.

BALLYNANTY

2012 Grey Gelding by Yeats (IRE) ex Reina Blanca (Darshaan) - Rating 97h (ire), 81f, 86aw

Owner: FOR SALE

An interesting recruit to the yard, this son of Yeats came to Kinneston from Ireland at the beginning of August and has settled in well. A formerly smart stayer on the flat with a peak rating of 102, he was handicapped over hurdles on soft ground last winter. Wanting better ground he might be one to go to Musselburgh this winter, and could be very well handicapped if reproducing anything like the form he showed on the flat.

CHRISTMAS IN USA (FR)

2012 Bay Gelding by Shaanmer (IRE) ex Diamond of Diana (FR) (Darshaan) - 88h

Owner: Bowen & Nicol

He took a while to adapt after coming over from France with a tough rating but became competitive last year getting placed a few times and was running very well when falling 2 out at Perth on his final run of the season. He seems fine after that having had a good break, and given he is aged only six we are hoping he will keep going back in the right direction this season.

DANCE OF FIRE

2012 Bay Gelding by Norse Dancer ex Strictly Dancing (Danehill Dancer) – Rating 97h

Owner: Kinneston Racing

He was decent performer on the flat but has not shown the same level of form over hurdles so far. A quirky individual, it may be that he just doesn't stay but if we can find the key and get him to enjoy hurdling he could be very well handicapped. He has had his first properly long break and it could be that is enough for him to turn the corner.

DUTCH CANYON

2010 Brown Gelding by Craigsteel ex Chitabe (Lord of Appeal) - Rating 66c 79h

Owner: Bissett Racing

A powerfully built horse who made the frame on several occasions last season, often not beaten far and running on strongly at the finish. He has been in training all summer but unfortunately had limited opportunities thanks to the fast ground. He will have options over hurdles and fences, and is surely capable of losing his maiden tag before long.

FINAL REMINDER (IRE)

2012 Bay Mare by Gold Well ex Olde Kilcormac (IRE) (Supreme Leader) – Rating 111h

Owner: Brian Castle

This Gold Well mare took some time to get over being hard trained to win a 4yo point to point and looked disappointing in novice hurdles 2 seasons ago. We gave her plenty of time after that and her owner's patience was rewarded when she landed the hat trick in May/June with good wins at Ayr, Cartmel and Aintree. She has her quirks and wants decent ground, but hopefully she can continue to progress from here with the option to go chasing in due course.

JUST BROOKE

2010 Chesnut Mare by Black Sam Bellamy ex Sports Express (Then Again) – Rating 86h

Owner: Bissett Racing

She returns this autumn after some time off with injury and if we can keep her right will go handicapping off a low mark. Hard to keep sound and very lightly raced as a result, this honest mare deserves a change in luck and should be open to progress with a clean run.

HANDICAP HURDLERS

LANDECKER (IRE)

2008 Brown Gelding by Craigsteel ex Winsome Breeze (Glacial Storm) - Rating 115h

Owner: Mrs N Hodge & Mrs I Hodge

A Kelso specialist recording all five of his wins at the track, he added another one last season. He can be a bit of a monkey at the start but we know him well now and he is a very likeable horse who battles well at the business end. Versatile ground wise and now back down to his winning mark, we hope he can give some fun again in the months ahead.

MOORE'S NOVELTY (IRE)

2012 Bay Gelding by Sholokhov ex Moricana (Königsstuhl) – Rating 88h

Owner: Mrs S Irwin

This nicely bred son of Sholokhov made a promising debut for the yard at Kelso last autumn before struggling on soft ground in the depths of winter. A return to good ground in the spring brought out a better run and he will now go handicapping off an attractive rating. An active and athletic horse with a lot of scope, it might be that we don't see the best of him until going chasing.

SILK OR SCARLET (IRE)

2012 Chesnut Gelding by Mahler ex Spirit of Clanagh (Zagreb) – Rating 102h

Owner: Ken McGarrity & Dudgeon, Cundall, Liddle

Last season he had to learn his trade in novice hurdles after racing a bit keenly early on but improved with each run and ended the season on a high note just being beaten at Perth when stepped up in trip. His jumping could be slicker but this will come with more schooling and experience, and while maturing all the time he ought to be progressive this year.

SPIRIT OF KAYF

2011 Bay Gelding by Kayf Tara ex Over Sixty (Overbury (IRE)) – Rating 133h

Owner: Mrs Jacqueline Morris

This classy Kayf Tara gelding was last seen winning the "French Furze Novices' Hurdle" at Newcastle in November 2016, and since then has had a long layoff with injury. He arrived at Kinneston last winter to continue his rehabilitation and will hopefully be on the track for his new owners in the New Year. He could be exciting if he retains the talent he showed as a novice.

We were honoured to win the inaugural Lycetts Team Champion Award at a well-attended National Trainers Federation AGM at the Institute of Directors in London in February; the idea is to celebrate yards that have a strong team ethos and work hard to develop a team based on the highest standards of employee management practices.

For what we do here to be recognised as the best in the country by an exceptional panel of judges against stiff competition was genuinely humbling and a tremendous reflection of the way we work. I am grateful to Catch for the effort she put into our application and above all to the team of staff who work so hard every day.

The longer term ramifications of winning the Award have exceeded my expectations in that we are now held up as a role model as to how Trainers should run their businesses; this is extremely flattering but of course produces its own pressure in that we must work hard to maintain and improve what we do at every level. It is a further credit to our staff that they are happy to embrace these goals in their daily work and ambitions.

NOVICE HURDLERS

ELVIS MAIL (FR)

2014 Brown Gelding by Great Pretender ex Queenly Mail (Medaaly)

Owner: The Ladies Who

A gorgeous horse with plenty of presence, we regretted running him on heavy ground as a juvenile while he was still weak. He has grown again over the summer and continues to strengthen up showing a great attitude at home. This horse has bags of potential and looked a natural when schooling over hurdles in the spring.

FIGS PRIDE

2013 Brown Mare by Stowaway ex Roseboreen (IRE) (Roselier (FR)

Owner: Mrs Leonard Harper Gow

This Stowaway filly can be nervous at times but matured and strengthened through last season while gaining experience in bumpers. She had some schooling before her summer holiday and took to it well so should be ready to go hurdling later this year, and hopefully will grow into a nice staying hurdler in time.

KOALA KEEL

2012 Grey Mare by Kirkwall ex Kayf Keel (Kayf Tara) - Rating 98h

Owner: FOR SALE

She had a busy time last season with eight runs in point to points and novice hurdles and showed some good form at Perth in the spring. With that experience under her belt this tough little mare can improve for being stepped up in trip in handicaps on decent ground.

MANETTI

2012 Bay Gelding by Westerner ex Mrs Wallensky (IRE) (Roselier (FR))

Owner: Sandy's Angels

We bought this big imposing three-time point to point winner at Doncaster in May and have been very happy with him at every stage so far. He did well at grass filling out his frame nicely and has taken his work well up to this point. We will start him off in novice hurdles although ultimately hope he will make a decent staying chaser, he is an exciting addition to the yard.

NOT THE CHABLIS (IRE)

2014 Bay Gelding by Scorpion (IRE) ex De Street (IRE) (Sunshine Street (IRE))

Owner: H W Turcan & Partners

A good-moving son of Scorpion purchased at Doncaster in August after having won a bumper at Down Royal earlier in the summer. We have given him a break now and aged only four there ought to be a lot of improvement in him both physically and mentally. He has been well schooled and we are looking forward to getting him started in novice hurdles, preferably on some decent ground.

OFF THE HOOK (IRE)

2012 Bay Mare by Getaway ex Call Her Again (Old Vic) - Rating 102h

Owner: Mrs I Hodge

This Getaway mare returned to the track in January having undergone colic surgery the season before and we were delighted with her performance. She only had three runs but finished 2nd each time showing a gutsy attitude and plenty of ability. She didn't run over further than 2 miles to help teach her to settle and jump but she should improve this year over further and she has a bright future.

PEAK OF BEAUTY (IRE)

2013 Bay Mare by Mountain High (IRE) ex Minoras Return (IRE) (Bob's Return (IRE))

Owner: Derek Walker

Out of a sister to Buffalo Ballet this well bred mare was very green on her first outing at Kelso, but improved for the experience to run a better race at Ayr next time. She then disappointed on bottomless ground and subsequently suffered a minor injury. When recovered she will go hurdling this winter and should improve when stepped up in distance.

RIDE THE LIGHTNING

2013 Bay Gelding by Dalakhani (IRE) ex Bright Halo (IRE) (Bigstone (IRE)) – Rating 83f

Owner: H W Turcan & Sir Simon Dunning

He showed good level of form on the flat for Archie Watson winning three times on the all-weather and often getting placed.

He has been at Kinneston for over a year recovering from injury and we have been pleased with his progress now back in work. We hope he will take to hurdles and be a quality addition to the novice hurdler division.

ARNICA

2013 Bay Gelding by Champs Elysees ex Cordoba (Oasis Dream)

Owner: FOR SALE

5yo gelding by the recent recruit to Coolmore's NH stallion roster Champs Elysees, dam won over 1m 3f. From top class Juddmonte family but too backward for them and was sold unraced at Newmarket. His full sister won a novice hurdle by 12l and this horse got as far as a schooling bumper in the spring before being turned away with a view to an autumn campaign however owner has dispersed with his NH horses. Good value bumper/hurdling prospect.

CHARM OFFENSIVE (FR)

2014 Bay Filly by Le Triton (FR) ex Go Lison (FR) (Turgeon)

Owner: The Nags to Riches Partnership

A powerful well-made filly from a good French family who spent last winter with her owners having come over from France in the autumn. Ready to go on with she will hopefully run in a bumper around Christmas time.

ETOILE D'ECOSSE (FR)

2014 Grey Filly by Martaline ex Etoile de Mogador (Goldneyev)

Owner: Douglas Miller, Coltman, Dunning & Turcan

A lovely strong filly by an excellent stallion out of a mare who is an own sister to a top class horse. She is big and backward so we took it slowly with her last winter bringing her along in her own time and it was rewarding to see her progress through the season. She is a long-term prospect and won't be rushed but hopefully we have a very nice horse with limitless potential.

UN-NAMED DYLAN THOMAS ex SARAHALL

2015 Bay Gelding by Dylan Thomas (IRE) ex Sarahall (IRE) (Saddlers Hall (IRE))

Owner: FOR SALE

An eye catching precocious looking son of the ultra tough "Arc" winning Dylan Thomas, his dam has produced 3 decent winners already. We bought this three year old at the Derby Sale in Fairyhouse and after being broken in by ex jockey and excellent horseman Brian Harding he will go into training this autumn - he could be anything and he could be yours!

BUMPER HORSES / POINT TO POINTERS & HUNTER CHASERS

BUMPER HORSES

UN-NAMED SHANTOU ex ZOLOTAYA (Kayf Tara)

2015 Bay Gelding by Shantou (USA) ex Zolotaya (Kayf Tara)

Owner: Brian Castle

A smart looking store horse with a smart pedigree being by Shantou out of a Kayf Tara mare out of a Celtic Cone mare with plenty good winners in every generation, has also come from the Derby Sale via a spell with Brian Harding and is a lovely long term prospect.

P2P & HUNTER CHASERS

MORE MADNESS (IRE)

2007 Bay Gelding by Dr Massini (IRE) ex Angelic Angel (IRE) (Phardante (FR))

Owner: Jamie Alexander

He returns to Kinneston to go point to pointing after a couple of years elsewhere and we think he will enjoy the change in pace. A real character with a survivors instinct we hope he will provide plenty of entertainment this winter.

ROSSINI'S DANCER

2005 Bay Gelding by Rossini (USA) ex Bint Alhabib (Nashwan (USA))

Owner: Alexander Family

Veteran winner of 17 of his 92 races which started in 2007 - on the flat, over fences and latterly in point to points. In the last couple of years he has been showing our novice riders the ropes and giving a lot of fun. We will see how he is and he will let us know when feeling ready for retirement.

THE BISHOP (IRE)

2008 Bay Gelding by Winged Love ex Charlie's Mary (Daar Alzamaan)

Owner: Jamie Alexander

He only had two runs last winter before picking up an injury so had some time off and now heads for the point to point field with Jamie. A solid old fashioned chasing type he will hopefully be competitive and should enjoy the slower pace, but will no doubt still make his jockey work!
