KINNESTON HORSES IN TRAINING 2026 – WELCOME

Welcome to Kinneston. As ever compiling this book has been a huge pleasure. It is genuinely exciting to consider the individual prospects for each of what I think is a fabulous list of horses. Aside from a broad spread of horses from last year, we have been lucky to buy some lovely prospects from a wide variety of sources.

It would be wrong to say that I was satisfied with the performance of the yard last season; whilst there were some memorable highlights we failed to operate at the strike rate we aspire to and we lacked stars to wave the flag for the team at the higher level. Subtle issues re the horses' form emerged during November and December and whilst we righted the ship to an extent, we were never really firing in the way I know we can. I documented those issues at the time and we have gone to great lengths this summer to do our utmost to avoid any recurrence.

As a result many of our established horses now look very well handicapped and combined with a promising selection of younger horses I am optimistic that we can resume normal service. Our continual quest for incremental gains is at the forefront of our minds; the recent extension to the main gallop and a rigorous approach to the detail of how we train will enable improvement. Our team ethos seems stronger than ever, and all the staff buy in to what we are trying to achieve in their work every day.

Of course, none of this is possible without the horses, and I am grateful to you, our Owners, for providing them. In everything we do, we are wholly committed to bringing out the best in every horse. We need luck, but I firmly believe in the adage that the harder you work, the luckier you get. I hope you and the team are rewarded with the success you deserve, and that a few stars emerge from our equine team.

I completed my term as President of the National Trainers Federation in March with a feeling of frustration. Subsequent developments indicate that the dysfunctional structure of British Racing has finally come to a head. It is good news that finally a system that allows any one stakeholder to block change will have to be confronted.

Strong and diplomatic leadership will be required, and I can't think of anyone better placed to take on this daunting challenge than the new Chair, Simon Cox. Unassuming and modest, he knows what is required and racing is fortunate to have someone with his breadth of experience prepared to commit so fully to putting racing back on a growth trajectory.

The headwinds cannot be underestimated but the glorious and intriguing sport of racing horses is historic and indigenous to human culture. British Racing is the best in the world; we need to make sure it remains so.

Thank you again for your support.

HANDICAP CHASERS

BALLYFORT (IRE)

2019 Bay Gelding by Fame And Glory (GB) ex Mardale (IRE) (Robin Des Champs) – Rating 106c

Owner: Maclay, Matterson and Warre

He had an excellent 2025/26 season winning twice and being runner up twice. The switch to fences has appeared to be the making of him and he probably ran his best race last time out when finishing runner up in a higher grade at Ayr's Scottish Grand National meeting. Remarkably, he only went up 3lb for his achievements and remains on a lower mark than his peak over hurdles. He's stronger now and there should be plenty more to come from him, particularly stepped up in trip now he has learnt to settle.

DUBAI DAYS (IRE)

2014 Bay Gelding by Dubai Destination (USA) ex Comeragh Girl (IRE) (Imperial Ballet) – Rating 124c

Owner: Alexander, McGarrity, Morris & Parker

A high-class performer: consistent, versatile and genuine. Although his season was frustrating from a health perspective, he gave us a memorable day when returning to form to record his 10th career win at Ayr in February. He was slightly below par on his final two starts, but I hope he can remain competitive if he has a more straightforward season, though he will need some help from the handicapper to win. He is currently 2lb above his highest winning mark and only 3lb below his peak, despite now being 12.

JIRKO (FR)

2019 Brown/Bay Gelding by Balko (FR) ex Belle du Luy (FR) (Saints de Saints) – Rating 84c

Owner: Gemmell, Horn, Morris & Morris

He started out very solidly over fences finishing in the first three on his first five starts. It all went wrong at Perth in the spring but I'd ignore that and if he can run again like he did earlier last season then he ought to be winning soon, especially as he starts off 6lb lower. He remains a novice and his experience should stand him in good stead.

NED TANNER (IRE)

2016 Bay Gelding by Milan (GB) ex Rose Tanner (IRE) (Roselier) – Rating 110c

Owner: Hands and Heels

A six time winner, I felt he was never quite right last season. He ran better in the spring but not up to his earlier form so I am hoping that a break will have done him good, combined with changing a few things at home. Most importantly he now finds himself 12lb below his peak which means that there should be plenty of fun to be had if we can find the key to his revival.

ORKNEY BLUE (GB)

2018 Bay Gelding by Blue Bresil (FR) ex Madame Allsorts (GB) (Double Trigger) – Rating 108c

Owner: Clan Gathering

An inauspicious start to his chasing career resulted in him coming home very lame from Hexham in December but he made amends a couple of months later when winning a 14 runner race at Carlisle in good style. He didn't quite match that when upped in class on his next two starts but still ran solidly enough finishing 3rd. He's only really had three proper chase starts so I would hope there will be plenty more to come from him this time round with that experience under his belt.

NOVICE CHASERS

BURNING IT UP (IRE)

2020 Bay Gelding by Milan (GB) ex Burnt It Up (IRE) (Scorpion) Rating – 93h

Owner: Harry Turcan

Runner up twice over hurdles having been placed in an Irish point to point. He works like a much better horse than he has shown on the track and I'm not sure we have him worked out yet as he must be capable of winning races. One run over hurdles in the autumn then look to go chasing.

CAVALIER du LUY (IRE)

2021 Bay Gelding by Vadamos (FR) ex Legende du Luy (FR) (Bonnet Rouge) – Rating 112h

Owner: Borwicks, Maclay, Trotter & Weaver

A winning pointer who made a lovely start over hurdles finishing runner up on debut prior to winning well. We didn't over race him and this good looking, free moving horse appears made for chasing and has loads of potential.

JUST AN ARTIST (GB)

2021 Bay Filly by Masterstroke (USA) ex Justapuzzle (GB) (Apple Tree) – Rating 101h

Owner: P and F Racing

She took us slightly by surprise when winning nicely first time out last season at odds of 125-1 but proved that was no fluke with several other bold runs. A willing and enthusiastic jumper who will hopefully improve again for a switch to the larger obstacles, and now she is learning to settle she should be very versatile trip wise.

LANCE LES DES (FR)

2019 Chestnut Gelding by Gris de Gris (FR) ex Macara (GER) (Acatenango) – Rating 110h

Owner: Roll the Dice

He progressed nicely over hurdles through last season being placed on his first three starts prior to winning at Ayr in March. He returned to that track to finish a good second in a competitive handicap at the Scottish National Festival and should now be able to progress over fences having schooled well in the spring.

LE COUP D'ENVOI (FR)

2021 Bay Gelding by Bathyrhon (GER) ex Odyssee du Cellier (FR) (Dear Doctor) – Rating 114c

Owner: Sandy's Angels

An athletic and well-balanced horse who was bought privately in France earlier in the summer. He has an interesting profile having been placed over there in ten of his twelve starts all of which were in good company at the top tracks. Being a maiden over hurdles all options are open to him.

MADAME BLUEBELLE (GB)

2019 Bay Mare by Blue Bresil (FR) ex Definitely Better (IRE) (Definite Article) – Rating 98h

Owner: P and F Racing

A lovely big mare with a nice pedigree that unfortunately sustained a minor injury in training early last season and therefore had to sit it out. I'd expect the handicapper to give her a chance after that, and being a 7yo it is most likely that we will crack on over fences with her now; she certainly has the right physique for it and is bred to stay well.

MY KIWI GIRL (IRE)

2019 Bay Mare by Walk In The Park (IRE) ex Come and Fight (IRE) (Kris Kin) – Rating 109c 112h

Owner: They Are Never at Home Partnership

A lovely big strong mare by the top sire who, having won a point to point and had a good first season over hurdles for the yard, ought to have made good progress over fences last season. Unfortunately, everything went wrong for her, and she was held up with several issues. We appear to have them all sorted out now so hopefully she can now show her true potential.

OSZY COSMO (IRE)

2019 Bay Gelding by Arctic Cosmos (USA) ex Lily Rock (IRE) (Exit To Nowhere) -- Rating 85c 85h

Owner: Turcan Adams Gilmour

Big chasing type with a proper engine but whose career has been held up by breathing issues. He is now 28lb below his opening mark having won over hurdles on stable and rules debut; he had further surgery this spring and there is a lot of upside to this horse if that has worked. Might take a run or two for him to regain his confidence.

NOVICE CHASERS

PLATIN MOON (FR)

2021 Bay Gelding by Sea The Moon (GER) ex Alsusha (FR) (Kendargent) – Rating 104h

Owner: Turcan, McIntosh, Coltman, Douglas Miller

A lovely, big, free-moving horse who won twice last season over hurdles with the form of both wins looking strong. Disappointed last time out which was probably due to stepping up in trip. Back to two miles now and if he takes to fences he should progress again.

SUSPECTED (IRE)

2020 Brown Gelding by Elusive Pimpernel (USA) ex Identity Parade (IRE) (Witness Box) – Rating 101h

Owner: Bowen & Morris

A bumper winner that we bought last summer; he progressed well over hurdles through last season and won nicely at the Perth Festival when stepping up to 3 miles. Perhaps a little flat on his final run at the end of a long season in May, he should make a lovely staying chaser going forward.

WHISKEY ON ICE (IRE)

2020 Bay Gelding by Yeats (IRE) ex Sliabh Na Muice (IRE) (Mountain High) – Rating 117h

Owner: Sarah Irwin

Having had a busy summer in 2025 we campaigned him quietly through the winter. Stuck in the mud on stable debut at Hexham in December, he looked a different horse stepped up in trip on a sounder surface in February—and then won a handicap by 17l in March. Handicapper has had his say so life will be tougher now but there should be more to come if he takes to the larger obstacles.

HANDICAP HURDLERS

ANAMANDA (FR)

2019 Grey Mare by Reliable Man (GB) ex Anyana (GB) (Nathaniel) – Rating 82h

Owner: Turcan Stewart Tulloch Robertson

A lovely mare with good form on the flat in France who finished runner up four times over hurdles including at Musselburgh on her most recent start in March. Poorly campaigned last season; in an attempt to find the key we messed about with headgear and trip; hopefully I will do better this time which should see her winning soon.

BEAT THE RETREAT (IRE)

2019 Bay Gelding by Getaway (GER) ex Lindy Lou (Hernando) – Rating 89h

Owner: Highland Hustlers

A four-time winner including twice last season, he has two ways of running and it is hard to predict whether he is going to turn up, but a smallish field over 2m 4f seems to bring out the best of him. Versatile ground wise, he is in a much better place this autumn than he was last time round so hopefully there will be more races to be won. Wouldn't rule out trying over fences.

BEL AMIGO (FR)

2019 Bay Gelding by Jeu St Eloï (FR) ex Belmiesque (FR) (Miesque's Son) – Rating 112h

Owner: The Dregs of Humanity

A likeable forward going horse who won three times in the spring of 2025. He ran a few very good races in defeat last season but appeared in the grip of the handicapper so we stepped up to 3 miles in the Pertemps Qualifier at Musselburgh's Cheltenham Trials day. He gave a bold show from the front that day prior to taking a heavy fall turning in for home. He was sore after that, so we gave him plenty of time and he appears in good form again now.

BETTER BE DEFINITE (GB)

2019 Bay Gelding by Clovis du Berlais (FR) ex Definitely Better (IRE) (Definite Article) – Rating 94h

Owner: Ken McGarrity and Hannigan, Wheeler, Wheeler

A three-time winner who progressed nicely on return from injury last season winning very well at Ayr in February. The ground was too quick for him next time at Newcastle and we turned him away after that, should be plenty more to come as a staying handicap hurdler this season and we may think about fences.

COCONUT SPLASH (IRE)

2015 Chestnut Gelding by Stowaway (GB) ex Presenting Chaos (IRE) (Presenting) – Rating 105h

Owner: Alexander Family (Kit)

A talented horse in the past who may be in the twilight of his career, but he seems to love life and we seemed to have found the key to him again when only beaten by a head at Ayr in March. The Go North Final next time was a bit much for him at this stage but now that we know how to get the best out of him I'd like to think there will be one or two more good days to come.

EAGLES CAIRN (IRE)

2020 Brown Gelding by Wings of Eagles (FR) ex Stein Castle (IRE) (Shantou) – Rating 95h

Owner: Jean Matterson

A frustrating horse who has been backward in his training and mostly the same on the racecourse. His opening mark was far from generous and having pulled up on his only handicap start we put him back into maiden company whereupon he was put up 51lb for finishing 5th beaten 22 lengths. Harsh to say the least, but I retain a lot of faith in this horse who certainly can no longer be described as "backward in his training".

ELOI DU PUY (FR)

2018 Bay Gelding by Jeu St Eloi (FR) ex Martalina (FR) (Martaline) – Rating 112h

Owner: Coltman Cundall Matterson and Stephenson

A bit of a star who has won 5 of his 21 hurdle races and made the frame on another 8 occasions. Too careful when we tried fences last season, so we reverted to hurdles and he won at Ayr in February. Didn't really fire in the Go North Final a month later at Kelso so we put him away after that and I am optimistic that there will be more to come from him over the smaller obstacles. Effective over 2m 4f, remains unexposed at 3m.

GINGER MAIL (FR)

2016 Grey Gelding by Sinndar (IRE) ex Queenly Mail (FR) (Medaaly) – Rating 106h

Owner: Judy Douglas Miller and Mary Coltman

A four-time winner with some very classy 2m handicap form in the book. Ran a couple of decent races to be 3rd last season but form apart from that was very indifferent. As a result he goes into this season no less than 20lb below his peak and if the minor wind up he has had sparks a revival there could be bags of upside.

HANDICAP HURLERS

HALF TRACK (IRE)

2016 Bay Gelding by Fame and Glory (GB) ex Presenting Brooke (IRE) (Presenting) -- Rating 89h

Owner: Kildonan Gold Racing & Kinneston Racing

Hurdle winner whose form was regressive last season having not taken to fences in the autumn. Puzzling but he often didn't appear 100% so something must have been troubling him. His early form was good and having been rated as high as 115 there is plenty of upside off his current mark if he can find his form again – all seems well so far.

LESTER MAIL (FR)

2021 Bay/Brown Gelding by Great Pretender (IRE) ex Queenly Mail (FR) (Medaaly) – Rating 95h

Owner: Dr J Walker

A full brother to Elvis Mail, he won a bumper and progressed steadily over hurdles last season having been very green initially. He improved for the step up in trip last time and the form of that race has worked out, so staying looks like being his game and he should be open to plenty of progress off his current rating.

MAILLOT BLANC (GB)

2017 Bay Gelding by Sulamani (IRE) ex Santoria (FR) (Limnos) - Rating 100h

Owner: Kinneston Racing

Generally good form last season winning at Kelso (in a dead heat) and finishing runner up twice. Versatile ground and trip wise, he should run plenty of nice races this season though he may need a little help from the handicapper to get his head in front.

SHOOTING (FR)

2022 Bay Gelding by Chachnak (FR) ex Shutka (FR) (Holy Roman Emperor) – Rating tbd

Owner: Dr J Walker & Kinneston Racing

Arrived from France last summer with some good form to his name but he failed to fire on his only start prior to pretty much everything going wrong. He has now had a long break to recover from his ailments, and he seems in much better heart now. The handicapper will have a big say as to how competitive he will be and his last mark of 124 was very stiff so let's hope for some leniency.

TAKEYOUTOTHEISLAND (IRE)

2020 Bay Gelding by Mount Nelson (GB) ex Truly Amazing (IRE) (Presenting) – Rating 83h

Owner: Brian & Katie Castle

He had a luckless start to his career with two nasty injuries and last season was all about getting the show belatedly on the road and giving him some confidence. Progress was slow but he finished off well filling the runner up spot at Perth in May. He has a low mark and thus far has been much more straightforward to train this time round so I would like to think he is open to significant progress.

WHATHAVEYOU (IRE)

2019 Bay Gelding by Soldier of Fortune (IRE) ex Tip Tap Toe (IRE) (Getaway) – Rating 108h

Owner: Katie and Brian Castle

Another lovely horse who has suffered far more than his fair share of injuries. We went gingerly last season and he ran three nice enough races over hurdles. He has been given a stiff enough opening mark so we may opt to go the maiden route with him as he remains relatively inexperienced. Ultimately a chaser but can win hurdles first.

NOVICE HURDLERS

BOKEI (IRE)

2023 Bay Gelding by Wootton Bassett (GB) ex Bolshina (GB) (Galileo)

Owner: Turcan & Shepherd

A regally bred horse purchased at Arqana in July with a view to going hurdling. Placed on his only two starts on the flat he looks the right type to step up in trip over hurdles. His sire needs no introduction whilst his dam is a full sister to the top class Galiway, a much sought after sire under both codes.

JACKSON COURT (IRE)

2021 Bay/Brown Gelding by Court Cave (IRE) ex Yewtree Girl (IRE) (Gamut)

Owner: The Jackson Four

Bought in the Tattersall's Cheltenham sale in the Spring, this point to point winner has bags of size, scope and presence. An exciting young horse who will probably go straight over hurdles.

KAPOUTCHINO (FR)

2020 Brown Gelding by Petillo (FR) ex Lilimond de L'Orme (FR) (Diamond Boy)

Owner: Rug, Grub & Pub

An imposing, good looking horse with a big stride and a likeable attitude. Purchased privately in the summer of 2025 having finished runner up in his only point to point he unfortunately suffered a setback in the autumn and had to stand aside for the season – all seems good now.

KINGSMAN MAIL (FR)

2020 Bay Gelding by Kingfisher (IRE) ex Queenly Mail (FR) (Medaaly)

Owner: And Away We Go

A lovely strong brother to Elvis, Ginger, and Lester Mail. Finished runner up on debut in a bumper; he didn't really progress as I'd hoped though was 3rd in his next two bumpers. With hindsight I wish we'd gone hurdling sooner and I'd put a line through his sole hurdle start in the spring, much better expected now.

L'APPEL DU LARGE (FR)

2021 Bay Gelding by Great Pretender (IRE) ex Rapsodie Sea (FR) (April Night)

Owner: Coltman, Douglas Miller, Matterson, Weaver

A lovely, free walking, beautifully balanced son of Great Pretender from a top jumping family in France. Unfortunately, has had trouble with his wind which has held him back in his races; didn't improve for surgery in March so has undergone a second operation this summer. Loads of potential that we hope has the desired effect.

LAKE NAGAMBIE

2022 Bay Filly by Jet Away (GB) ex Dona Pepa (IRE) (Westerner)

Owner: Matterson & Turcan

Winner of a point to point on her only start, this well-made, fine looking filly came to us in May via Goff's Spring Sale. Loads of potential but we will take our time with her, and she may well start off in a mares bumper.

MAHLER PARK (IRE)

2021 Bay Gelding by Mahler ex Park Dale (IRE) (Walk In The Park)

Owner: Quandt & Cochrane

Bought privately after showing plenty of promise, despite signs of greenness, in an Irish point-to-point, he arrived in May 2025. A setback in training last autumn ruled him out for the season, but he is still only five and looks a strong, active, forward-going type with real promise over hurdles.

NORTHERN MAN (GER)

2023 Grey Gelding by Study of Man (IRE) ex Naida (GER) (Reliable Man)

Owner: Bawdy Parks

Bought privately from Germany in June having run four times on the flat finishing 3rd on his last start. A lovely pedigree for jumping being out of a high-class staying mare; we will be targeting juvenile hurdles with him.

NOVICE HURDLERS

OLD COMRADES (IRE)

2020 Bay Gelding by Shantou (USA) ex Glorious Twelfth (IRE) (Old Vic)

Owner: Jean Matterson

An Irish point to point winner who seemed to take a long time to acclimatise to training here, which was reflected in a couple of underwhelming runs over hurdles. He's from a good family and has proven ability so I would hope that he can leave that form behind; will definitely want a trip.

OOR WISH (IRE)

2020 Bay Mare by Getaway (GER) ex Ladies Pride (IRE) (Anshan)

Owner: Geoff and Elspeth Adam

A lovely filly who didn't really progress as I hoped after a promising first start in a bumper. She has a bit of experience under her belt now so I would like to think she can progress this time round.

ROYAL MARCH (GB)

2021 Bay Gelding by Dartmouth (GB) ex Samedi Soir (GB) (Black Sam Bellamy)

Owner: Quandt & Cochrane

Runner-up to a smart sort on his only bumper start, he arrived here in May and has taken well to schooling over hurdles. Straightforward, honest, genuine and willing, with a good family behind him, he should have a bright future.

SEA LOCH (GB)

2022 Grey Gelding by Gentlewave (IRE) ex Little Glenshee (IRE) (Terimon)

Owner: The Mickey Mice

An imposing, good-looking horse with an exceptional pedigree, he is a three-parts brother to the top-class Gentlemansgame and out of our high-class mare Little Glenshee. Two seasons of work have given him a solid grounding and he is now ready to move forward, though he will still need time.

NOVICE HURDLERS / POINT TO POINTER

THE G WIZARD (IRE)

2020 Bay Gelding by Order of St George (IRE) ex Carrigmoorna Wood (IRE) (Shantou) – Rating 112h

Owner: Turcan & Tomkinson

Purchased in May 2025 having finished a good runner up in a point to point, he progressed nicely over hurdles last season being placed on five of his six starts. With that experience behind him this well balanced, active horse should be open to further progress this time round.

NOVICE HURDLER

GAILLIMH A STOR (IRE)

2016 Bay Gelding by Presenting (GB) ex Gaillimh A Chroi (IRE) (Flemensfirth)

Owner: Alexander Family

A talented horse who lost his way under rules last season and was kindly leased to us by his Owners to go point-to-pointing. We only managed one run in that sphere, but he showed enough potential to suggest it worth giving it another go this time round. I love to have a pointer in the yard for one of the team to ride, as well as supporting a sport that has given us so much fun over the years.

POINT TO POINTER

BROODMARES

BLUEBELL GLEN (GB)

2018 Bay Mare by Blue Bresil (FR) ex Little Glenshee (IRE) (Terimon)

Owner: Kinneston Bloodstock

Beautifully bred and a big strong mare but after showing early ability became disappointingly recalcitrant on the racecourse. Has a lovely first foal at foot, a filly by Kingston Hill (GB) and she is in foal to Postponed (IRE).

MONEGA PASS (GB)

2019 Grey Mare by Blue Bresil (FR) ex Little Glenshee (IRE) (Terimon)

Owner: Kinneston Bloodstock

Unraced full sister to Bluebell Glen who has produced two cracking foals to date: a two year old filly by Diamond Boy (FR) and a yearling filly by Postponed (IRE). Rested this year she is now back in foal to Postponed (IRE).

STAINSBY GIRL (GB)

2014 Chestnut Mare by Shirocco (GER) ex Charmaine Wood (GB) (Double Trigger) – Rating 136h

Owner: Alexander Family

An absolute star for the yard who finished her career by winning a Listed Race at Haydock. She has had a difficult start to her broodmare career but is now in foal to Cracksman (GB).

AND THE LIST GOES ON.....

by LOGICIAN ex LITTLE GLENSHEE 2023

2023 Grey Gelding by Logician (GB) ex Little Glenshee (IRE) (Terimon)

Owner: Kinneston Bloodstock

One of the best colt foals from the first crop of a high-class son of Frankel out of Little Glenshee – has it all going for him. He was broken as a 2yo and lightly trained through last season. Back in work now he will take time but should have a bright future.

by DIAMOND BOY (FR) ex MONEGA PASS 2024

2024 Bay/Brown Filly by Diamond Boy (FR) ex Monega Pass (GB) (Blue Bresil)

Owner: Kinneston Bloodstock

A gorgeous first foal of the unraced Monega Pass, she is the first of the 6th generation of our family line that now goes back over 50 years. Broken in the summer she is now back in work with a view to be ready to run as a 3yo.

by POSTPONED (IRE) ex MONEGA PASS 2025

2025 Bay/Brown Filly by Postponed (IRE) ex Monega Pass (GB) (Blue Bresil)

Owner: Kinneston Bloodstock

Lovely big scopey good-natured filly.

by KINGSTON HILL (GB) ex BLUEBELL GLEN 2026

2026 Bay/Brown Filly by Kingston Hill (GB) ex Bluebell Glen (GB) (Blue Bresil)

Owner: Kinneston Bloodstock

Smart looking filly foal. Thanks to the incredibly attractive GBB Scheme it is now almost more appealing to breed a filly rather than a colt.

SCARLET JET (IRE)

2020 Bay Gelding by Elusive Pimpernel (USA) ex Jet Alert (IRE) (Milan) – Rating 118c 115h

Owner: Turcan Borwick Maclay Trotter

Took a while to get his act together last season but it all came together when he finished 2nd on his chasing debut in the Cyril Alexander Memorial Novice Chase at Kelso on Morebattle Day. Sadly, he sustained a minor injury that day that will need plenty of time so he is going to have to sit this season out.

CLAN LEGEND (GB)

2010 Chestnut Gelding by Midnight Legend (GB) ex Harrietfield (GB) (Nicholas Bill)

Owner: Alexander Family

Legend by name and legend by nature, this 4th generation home-bred won 11 of his 44 races and now spends his time as a schoolmaster for young horses and riders.

COMMITMENTS

THE THREE KINNESTON COMMITMENTS

To our Horses

"Our commitment is to have the welfare and health of our horses at the forefront of all we do. We do our utmost to ensure they can compete at the highest level of which they are capable without compromising their well-being and we will always endeavour to find them secure and caring homes at the end of their racing careers."

To our Employees

"Our commitment is to be an equal opportunities employer that treats employees fairly and with respect. We provide as safe a working environment as possible and are committed to providing career development opportunities along with encouraging self-development at all times. Our aim is to inform, involve and include."

To our Owners

"Our commitment to our Owners is to be honest and transparent at every stage of their involvement with horses at Kinneston. We will do our utmost to share the narrative of every horse's development and career as we work together towards ensuring we do everything possible to help them fulfil their potential."
